Feb 26 RNA Monthly Meeting

MARCH

Mar 03 RNA Garden Club

Mar 05 Community Safety Walk

Mar 26 RNA Social

NEIGHBORHOOD UPDATES *- John G. Pare, Jr.*

Riverside is a vibrant and dynamic neighborhood to live, work, and play. There are many projects and programs in the works that are designed to enhance the livability of our neighborhood. Below are a few updates:

Cross Street Market Revitalization

You will soon begin to see visible changes inside and outside the Cross Street Market. Exterior demolition work has already begun, and interior work is scheduled to begin in early April. The Market will remain open while this work is in progress. You can follow @CrossStMarket on Twitter and Instagram for more updates.

Spring Community Yard Sale

We are combining the Spring and Fall Community Yard Sales into one yearly event to be held in the fall. Due to declining interest, there doesn't appear to be sufficient support to host two yard sales per year. We are hoping that an annual Community Yard Sale will result in greater participation from both buyers and sellers.

Residential Parking Permits

Last month's newsletter provided an update on the upcoming implementation of residential permit parking in our neighborhood. Jeff Brown, RNA's parking committee chairman, and Steve Robinson, the manager of residential parking permits for Baltimore City, will be making presentations at our upcoming neighborhood meeting on February 26. This will be a great opportunity to get your questions answered.

Volunteers Needed

It will not be long until freezing temperatures are replaced by warmer weather and sunshine. RNA hosts a variety of activities, including our neighborhood COP walk, our garden club, and our summer concert series. We need your help! To learn more, come to our monthly meetings or email RNABaltimore@gmail.com.

In lieu of the monthly March meeting RNA will organize a neighborhood social.

6:30pm at Wiley Gunters
 Come meet your neighbors!
 Details to follow.

 RESIDENTIAL PARKING PERMIT IMPLEMENTATION
 WHAT TO EXPECT AND WHEN**

Kids Bring the Love to Riverside

The Gallery at Captain Larry's hosted a Kids Bring the Love event earlier this month. Over 40 young artists displayed 51 works of art celebrating love and raising money to benefit BARCS. The event was organized by Riverside residents Brandon and Kristen Nicklas. This event is just one more reason to love Riverside and a great reminder for all of us to bring the love to all our neighbors!

Southern District Community Relations Council Meeting

The next scheduled SD CRC Meeting will be Thursday March 15, 2018 from 7:00 pm - 8:30 pm. The location for SD CRC Meetings is the Baltimore Police Department - Southern District, 10 Cherry Hill Road. The Southern District holds Community Relations Council Meetings on the 15th of every month. Even if you can't make this month's, be sure to mark your calendar for future months.

A DIFFERENT KIND OF PRESCHOOL: SUPPORTING YOUR CHILD'S ACADEMIC, SOCIAL, AND EMOTIONAL NEEDS

Bright Horizons at Tide Point is an exceptional place for children to thrive. Our comprehensive curriculum, enriched with fitness, art, music, and STEM (science, technology, engineering, and math) programs prepare children for success.

- Emergent curriculum that allows teachers to plan activities and projects for their class, taking into account the children's skills, needs, and interests
- Open and encouraged communication between parents and teachers
- Art studio, STEM lab and movement areas on-site and included in tuition

Riverside Park Outdoor Exercise Equipment

- Jackson Fisher

Riverside Park adult exercise equipment is coming. Two adult exercise equipment areas will be installed in Riverside Park. One across the path from the current kids' playground and the other just north of the empty basketball court. Baltimore City Rec and Parks received grant money to cover seven pieces of equipment. Equipment will include a three person static combo unit, two ellipticals, plyometric steps, a 2-person arm/back combo unit, a lat pulldown unit, and a chest press unit. Both locations will be handicapped accessible and ADA compliant. Look for the installation in Summer 2018.
