Encompassing Neighbors from Lawrence Street to Light Street and from Key Highway to the Railyard

## NEXT MEETING: Monday, June 26

7 pm at Salem Lutheran Church (corner of Randall & Battery)

### Frequently Asked Questions – *John G. Paré Jr.*

Riverside Neighborhood Association fields a lot of questions related to our neighborhood. I have compiled a few of the most frequently asked questions with the answers.

**Q. I am having a party and would like to rent the Gazebo in the park, how do I go about reserving it?**

**A.** Although the Friends of Riverside Park (neighborhood volunteers) work to make the park a beautiful backdrop for any social event, reserving the Gazebo is handled by Baltimore City's Department of Recreation and Parks. For more information on permits, visit their website at <http://bcrp.baltimorecity.gov/rec-parks-permits>.

**Q. Can I have a gathering in the park without renting the gazebo?**

**A.** Riverside Park is a public park, and you do not need a permit to use part of the park for a social gathering. If you do, there are three items to keep in mind—grilling is not allowed, alcohol is not allowed, and your area is not dedicated or reserved.

**Q. Does RNA have a Facebook page?**

**A.** Yes, RNA Baltimore is the name of our Facebook page and can be found at <https://www.facebook.com/rnabaltimore>.

Like our Facebook page and stay informed

about what is happening in Riverside. Get information on events like the Riverside summer concert series and our community yard sales and updates on ongoing initiatives like our Citizen on Patrol (COP) walks and the BGE pipeline project.

We also have a Facebook group called RNA Connect. Follow the link from our main Facebook page to request to join your neighbors in discussing community issues and concerns. You can ask questions and get recommendations, or just post community information.

New this year is a Facebook page called Riverside Park Pool found at <https://www.facebook.com/riversideparkpool>. Like this page for all pool information—from special events to code red closings, and much more!

**Q. If I see suspicious activity (but not necessarily criminal activity), should I still call 911?**

**A.** Yes, report all suspicious activity and let the Baltimore Police do their job.

**Q. I am planning to do some remodeling work on my home—what projects do I need permits for?**

**A.** Visit [baltimorehousing.org](http://baltimorehousing.org) for permitting information. The section on "ePermits" will allow you to apply for a permit 24 hours a day, send and receive messages about your permit, pay for your permit, and receive your permit via email.

## Summer News from Salem Lutheran Church

It's summertime! Need a place to beat the heat? Salem's congregation and friends gather every Sunday morning at 10:00 AM for worship, community, and music at our historic church located at the corner of Randall Street and Battery Avenue. Salem is proud to be a warm and welcoming community for old friends, first time visitors, and everyone in between! We are led by Pastor Lauren Muratore, whose vibrant, engaging style is a true joy to witness.

Where else can you find Salem this summer? Salem will be hosting a free arts and crafts table for children at the RNA's summer concerts in the park. A suggested art project or craft, and all supplies, will be provided. Swing by with your family and join in the fun! In addition, Salem's Urban Garden, planted back in April, is now blooming and productive. All neighbors are welcome to help themselves to any of the herbs and veggies that are growing there.
